Let's Talk Care!

Will the person providing care in my home come at a time that is convenient for me?

Before you commit to using our care service, we will discuss how we can best meet your needs. This will include arranging your carer's visiting times to fit in with your care home needs.

Will I have a say in the care I need?

Yes. All care plans are written with the express agreement of the customer and/or the customer's representative.

Will I be tied into a contract if I no longer require your services?

No. We operate a contract that can be cancelled with 24 hour notice from either party.
